NET CONTENTS: 2.5 Gallons

Manufactured for:

Western Ag Improvements, Inc., PO Box 819, Dayton, OR 97114-0819, TEL (503) 868-7510 FAX (503) 868-7530

ENVADE X2

WETTING AGENT / PENETRANT

First Aid: Skin contact: Remove all contaminated clothing immediately unless stuck to skin. Rinse skin immediately with plenty of water for 15 to 20 minutes. If skin irritation occurs, get medical advice. Eye contact: Rinse cautiously with water for several minutes. Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present and easy to do after the first 5 minutes, then continue rinsing. Seek medical attention. Ingestion: Rinse mouth with water. Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. Inhalation: Move person to fresh air. If person is not breathing, call 911 or an ambulance, and then give artificial respiration, preferably mouth to mouth if possible. Call a poison control center or doctor for further treatment advice.

Personal Protective Equipment (PPE): Applicators and other handlers must wear chemical resistant protective gloves/protective clothing including long-sleeved shirt, long pants, socks and shoes/tightly fitting safety goggles/face protection. Take off contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS: Do not contaminate water sources by cleaning of equipment or disposal of wash water.

STORAGE AND DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Store in a dry place. Store in closed container.

PRODUCT DISPOSAL: Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

NOTICE: Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use, storage or handling of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use. The risks include, but are not limited to damage to plants, crops and animals to which the material is applied, failure to control pests, damage caused by drift to other plants or crops, and personal injury.
