NET WT. 3 1/2 lbs. (1.59kg)

CAUTION: KEEP OUT OF REACH OF CHILDREN

**Safe around Pets,  
 Children & Plants!**

**KEEP SNAKES AWAY NATURALLY!**

SnakeScram™ is specially formulated to NATURALLY deter snakes & move them away from treated areas. Our unique *organic* formula provides strong, natural repelling power without harming people, pets or the environment. And of course, is fully backed by EPIC's industry-best **100% GUARANTEE!**

Snake Scram™ is an excellent natural repellent for getting rid of snakes which prefer to locate in stone piles, wood piles, around foundations of homes, garages, barns, sheds, in gardens, flower beds and landscaping, and near pools. Using Snake Scram can protect you, your children and your pets from unwanted contact with snakes.

**EASY TO APPLY:**

- 1 Before applying, turn bag upside down and shake the closed bag vigorously.
- 2 Apply by shaking granules in and around the area to be protected.

*The product should repel snakes immediately. If necessary, reapply as needed until snake activity ceases and no further snakes are observed.*

- 3 Once repelling action has been established, reapply every two weeks. Reapply after heavy rains. **May be used in any climate or temperature.**

**For Outdoor Use Only**

Do not apply directly or indirectly to open water such as ponds, lakes or streams. Do not apply directly to crops being grown for food or feed.

Snake Scram™ is effective in deterring and repelling most snakes, including many poisonous species. Avoid contact with or handling of snakes if you are unfamiliar with snake species and their proper handling. While most snakes are harmless, many varieties can strike and bite if surprised or disturbed by human activity. Also, several species in the United States are poisonous and can be harmful if they bite people or pets.

**Provides 600 SQ. FT.  
 OF PROTECTION Per Pound!**

Snake Scram helps eliminate unpleasant surprises and reduces the risk of unintended contact with snakes.

**PRECAUTIONARY STATEMENTS:** Wash skin after use. Avoid contact with eyes or cuts. If in eyes, flush with water 15-20 minutes. Call Poison Center or doctor for treatment. Storage: Store away from direct sunlight or excessive heat. Do not contaminate water, food or feed by storage or disposal. Do not apply directly to water. Buyer assumes all responsibility for safety & use not in accordance with directions. Dispose of properly.

Product exempt from EPA registration under Section 25(b) of FIFRA.
