EcoSMART
-THE SAFE PESTICIDE BRAND

**WASP & HORNET
KILLER**

Now there is an insecticide that is **safe to use around children and pets**. EcoSMART® Wasp & Hornet Killer is made from a proprietary blend of essential plant oils. It kills bugs fast and repels insects without any synthetic toxins or harmful residue. It's safe, it's effective. It's smart – Naturally.

To learn more about EcoSMART® and its entire line of pesticide products, please visit our web site at www.ecosmart.com.

FRESH NATURAL SCENT FROM PLANT OILS.

DIRECTIONS FOR USE:

SHAKE WELL BEFORE USING. READ ENTIRE LABEL AND USE ACCORDINGLY.

FOR USE OUTDOORS AND IN ATTICS.

WASP, HORNET, OR YELLOW JACKET TREATMENT: If possible, apply at sunrise or sunset when insects are least active in nest. Stand a safe distance from the nest. Hold container upright and aim nozzle away from yourself. Spray with wind at your back. Press button firmly to spray. Spray until the nest is soaked. Expose as many insects as possible. Repeat as necessary.

NOTE: Avoid spraying directly on plants. Foliage exposed to spray should be hosed off. This product is non-staining to most home siding depending on age and condition, however, it may leave a temporary oil mark. While staining is unlikely, it is recommended to spray product on an inconspicuous area of surfaces that are intended to be treated. A test duration of 48 hours or more is recommended. This product is not recommended for use on vinyl siding, or window or door casements made of vinyl moulding.

DIELECTRIC INFORMATION: Electrically non-conducting up to 41,000 volts.

PRECAUTIONARY STATEMENTS: This product is safe for use around children and pets when used as directed. Caution – We recommend good safety practices when using any pesticides, such as avoiding contact with eyes and skin and keeping out of the reach of children and pets. If product gets in eyes, flush with water for at least 15 minutes. If on skin, wash with soap and water. If irritation persists, contact a physician. To avoid exposure to airborne solution, it is recommended that this product is used in well ventilated areas.

PHYSICAL HAZARDS: Contents under pressure. Keep away from heat, sparks and open flames. Do not puncture or incinerate container. Exposure to temperatures above 130° Fahrenheit may cause container to burst.

STORAGE & DISPOSAL: Store in a cool, dry area away from heat or open flame. When container is empty, recycle if available or discard in trash. Do not puncture or incinerate.

LIMITATION OF LIABILITY: To the extent consistent with applicable law, Kittrich Corporation makes no warranties of merchantability or of fitness for a particular purpose, nor any other express or implied warranty except as stated above. Buyer assumes all responsibility for safety and use not in accordance with label, directions and precautionary statements.

Kittrich Corporation represents that this product is a Minimum-Risk pest control product, and qualifies for exemption from EPA registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA).
