OneBait™

Universal Mosquito Trap Attractant

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

DO NOT OPEN SACHET.

OneBait™ Universal Mosquito Trap Attractant is a lure designed to mimic human skin, scents, emanations and odors to attract mosquitoes to traps where they die. OneBait™ Universal Mosquito Trap Attractant can be used in any kind of mosquito traps, either inside or outside, depending on the trap type. Place the OneBait™ Universal Mosquito Trap Attractant sachet in the space allocated for added mosquito attractants, either inside or outside the trap. Refer to the trap manufacturer's directions for use for placement. Replace the lure after eight (8) weeks of use.

FIRST AID

If in eyes	<ul style="list-style-type: none"> • Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice.
If on skin or clothing	<ul style="list-style-type: none"> • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15 - 20 minutes. • Call a poison control center or doctor for treatment advice.
If swallowed	<ul style="list-style-type: none"> • Call a poison control center or doctor immediately for treatment advice. • Have person sip a glass of water if able to swallow. • Do not induce vomiting unless told to do so by the poison control center or doctor. • Do not give anything by mouth to an unconscious person.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-222-1222 for emergency medical treatment information.

Universal Mosquito Trap Attractant

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

May cause severe eye irritation. Do not get in eyes, on skin or on clothing. Harmful if swallowed. Avoid contact of mouth, skin, or eyes with the contents. Wash hands before eating, drinking, chewing gum, using tobacco or using bathroom facilities.

Environmental Hazards: To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

Pesticide Storage: Store in a cool, dry place out of reach of children until ready to use.

Pesticide Disposal and Container Handling: Nonrefillable container. Do not reuse or refill this container. Dispose of used sachet in the trash.

Warranty and Disclaimer: Blue Rhino Global Sourcing, Inc. makes no warranty of merchantability, fitness for any particular purpose or otherwise, express or implied, concerning this product or its uses which extend beyond the use of the product under normal conditions in accordance with the statements made on this label.
