*Stop Bugging Me! Multi-Action Fogging Solution is a novel formula developed to effectively control mosquitoes, ants, fleas, ticks and spiders while providing an airborne fog that effectively kills and repels unwanted insect pests and their associated malodors. The unique dry fog formula deposits minute levels of active ingredients to kill both airborne and landed insects. Stop Bugging Me! Multi-Action Fogging Solution is especially useful in the control and eradication of mosquitoes and is safe for use around trees, turf, shrubs and ornamentals.*

## MULTI-ACTION FOGGING SOLUTION

**For the Control of Mosquitoes, Ants, Fleas, Ticks & Spiders**

**For Use Over Turf & Grassy Areas, Trees & Shrubs**

**APPLICATION DIRECTIONS:** Timing: Apply between the hours of 8 a.m. and 11 a.m. or late in the afternoon between 5 p.m. and 8 p.m. Avoid applying during the heat of the day, in windy conditions or when rain is expected within 24 hours.

**AREAS TO FOG:** Stop Bugging Me! Multi-Action Fogging Solution is for outdoor use only. Fogging should be aimed at flowerbeds, trees, and grassy areas. Fog may also be applied to standing water, puddles etc. Product is not for indoor use; however, product may be applied in unpopulated barns, stalls, etc. Product should not to be applied to animals or humans.

**METHOD:** Stop Bugging Me! Multi-Action Fogging Solution may be applied via hot or cold electric or propane operated insecticide fogging device. Do not dilute. Following directions on the hot or cold fogging device, hold container 14-20 inches from flowerbeds, trees, shrubs, grassy areas and other areas infested with pests. Spray with a slow sweeping motion moving backward away from spray. Do not spray towards adults, children or pets. Do not spray if food is present. Allow spray to dry completely before occupying the area. May cause stains and/or burn some susceptible plants. Always test a small, inconspicuous area before full application.

**STORAGE AND DISPOSAL:** Do not contaminate water, food, or feed by storage and disposal. **STORAGE:** Store in a cool dry area inaccessible to children or pets. Store and transport in an upright position. Keep from freezing. Store unused material, tightly closed, in original container and keep container closed when not in use. **CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local waste agency for disposal instructions.

This product is exempt from registration with the Federal EPA under section 25(b) of FIFRA, and as such, is not registered with the Environmental Protection Agency. EcoClear Products, Inc. represents that this product and its ingredients qualify for exemption from registration under FIFRA.

**PRECAUTIONARY STATEMENTS**  
**CAUTION:** May cause eye injury and skin irritation. Do not get in the eyes or on the skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before use.

**FIRST AID**  
**IF ON SKIN OR CLOTHING:** Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for further treatment advice.  
**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for further treatment advice.  
**IF INHALED:** Move person to fresh air. If not breathing, call 911 or an ambulance, then administer artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.  
**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Sip a glass of water if able to swallow. Do NOT induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**FOR INSECTICIDE USE ONLY. NOT AN AIR FRESHENER. NON-FLAMMABLE.**
