ELIMINATOR[®]

ANT BAIT

STOP. READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

INDOORS

1. Open pouch and break bait stations apart from each other.
2. Place one bait station along each ant trail or in out-of-the-way places near walls, in cabinets, and under sinks and refrigerators. Heavily infested areas may require two or more bait stations for effective control.
3. For continued indoor control, replace baits every six months or sooner if infestation is heavy or bait stations are empty.

OUTDOORS

1. Open pouch and break bait stations apart before using.
2. Place one bait station along each ant trail around the outside of homes. Place stations in areas inaccessible to children, pets and other nontarget animals. Larger homes or homes with heavy infestations may require two or more bait stations to achieve control.
3. For continued outdoor control, replace baits every three months or sooner if infestation is heavy or bait stations are empty.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place inaccessible to children and pets.
Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available. **If partly filled:** Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION. Wash thoroughly with soap and water after handling bait stations.

NOTICE: To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with directions.
