NATURÉL promise®

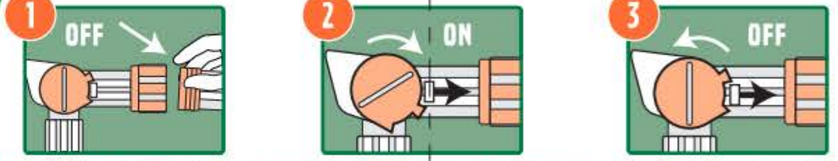

MAX STRENGTH FLEA & TICK
YARD SPRAY

READ ENTIRE LABEL BEFORE EACH USE

Flick! Max Strength Flea & Tick Yard Spray kills fleas, ticks and mosquitoes by contact.

This natural* essential oil blend contains nature's most powerful pest fighting ingredients, maximized with lemongrass oil for long lasting effects. Safe to use outdoors around dogs and puppies 12 weeks and older, when used as directed.

DIRECTIONS FOR USE:
For best results, clear debris away from the foundation of your home and cut back overgrown vegetation before using.

SHAKE WELL BEFORE USE. Apply in early morning or late afternoon to avoid any leaf burning. Make sure the dial on the nozzle is turned to "OFF," with the safety tab in the valve notch, then connect garden hose to nozzle.

To BEGIN spraying, turn water on and extend hose to the farthest area to be treated. Point nozzle at treatment site, then bend safety tab back and hold while turning dial clockwise until it stops. Work backwards towards the faucet at a steady pace while spraying in an even sweeping motion, spray until wet.

To STOP spraying, hold safety tab back and quickly turn dial counterclockwise to engage the safety tab into the notch on the valve. Turn water off. To release pressure, point nozzle towards treatment site, bend safety tab back and turn dial "ON" until water stops spraying, then turn "OFF" and remove hose to store.

KEEP OUT OF REACH OF CHILDREN. PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HUMANS: Causes moderate eye irritation. Wash hands thoroughly with soap and water after handling. Frequent repeated skin contact may cause allergic reaction in some individuals. DOMESTIC ANIMALS: Product intended for use on lawn. Not to be used on pets. Do not apply product into eyes, mouth, or nose of animals. Do not use on (or cause exposure to) puppies under 12 weeks old. Avoid spraying bees and pollinating insects.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

HOTLINE NUMBER: Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact a non-emergency line 1(855) 541-7387.

STORAGE & DISPOSAL: Store only in original container in a cool, dry area inaccessible to children and pets. Dispose of in trash or recycle if available.

Naturél Promise represents that this product qualifies for exemption from registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA). This product has not been registered with the United States Environmental Protection Agency.
