

SafeSOLUTIONS™

Nontoxic Pest Control  
For Flying & Crawling  
Insects

Concentrate 64 oz. (1892.71 ml)

## KILLS ONLY BUGS! Safe and Pesticide-Free

Simple yet deadly effective nontoxic formula kills insects on contact, but is safe for everyone else! Can be used indoors or outdoors since there are no dangerous chemical poisons to contaminate.

### Directions:

Concentrate: Dilute 3 oz. per gal. water. Shake well before each use. Spray directly onto insects. Always spot check fabrics or plants first.

### Ingredients:

Actives: 1% sodium lauryl sulfate, 1% peppermint oil and 1% lemongrass oil

Inerts: 97% purified water, soap, yeast, citric acid and glycerin

Total . . . . .100%

No synthetic or volatile chemical compounds.  
No animal by-products or lab testing used.  
All ingredients are US EPA exempt and Generally Recognized As Safe (GRAS)

### Precautions:

Avoid contact with eyes to prevent irritation; immediately flush with water if contact occurs. In case of allergic reaction, remove to fresh air. Harmful if swallowed. In case of accidental ingestion, induce vomiting and contact a physician. **CAUTION: Keep Out of Reach of Children.**  
Do not use in vegetable gardens or on fruit trees.

### Storage & Disposal:

Do not contaminate water, food or feed by storage or disposal. Store only in the original, tightly-closed container in a dry place away from freezing or excessive heat. Do not reuse container. Please recycle.
