

RODENT GUARD

Scientifically Enhanced Rodent Deterrent

Rodent Guard uses the time tested method of essential oils with a revolutionary patented encapsulation process. The coarse granules are amplified and time released guarding your home and property against rodents. Rodent Guard is completely weather resistant and lasts up to one year. Rodent Guard is highly effective against rodents yet the completely natural ingredients make it safe around pets and family.

DIRECTIONS:

Spread Rodent Guard in any and all areas where rodents and their droppings are found. Spread evenly around known entry points and possible nesting areas. Rodent Guard will remain effective in any weather condition or temperature for up to one year.
