LASTS UP TO 90 DAYS
JUST ADD WATER

Take back your outdoor space with the Spartan Mosquito Eradicator. Deploy Spartan Mosquito Eradicators as soon as the weather begins to warm to create a barrier, giving the mosquitoes a target that emits the same attraction triggers as people and animals. Once mosquitoes feed on the water solution, they die before they can breed again.

The Spartan Mosquito Eradicator is a uniquely effective, long-lasting, continuous mosquito control system. The Spartan Mosquito Eradicator also doesn't require batteries or electricity, just water! The mosquito population will suffer dramatically in the first 15 days, and will be 95% controlled for up to 90 days.

Help protect your environment from mosquito bites. Invest in Spartan Mosquito Eradicators and take back your outdoors **THE SPARTAN WAY!**

This 25(b) product is exempt from registration with the Federal Environmental Protection Agency under FIFRA regulations.

KEEP OUT OF REACH OF CHILDREN
PRECAUTIONARY STATEMENTS AND FIRST AID: Do not ingest or inhale. Avoid contact with eyes. If repeated, inhaled, or in contact with eyes call your poison control center.

DIRECTIONS FOR USE: Simply add hook to black cap, remove white cap, add warm potable water to fill line, attach black cap and hang on edges of property. Place two units per acre on your property (more than two units can be used). Use two boxes per acre to catch up if deploying for the first time and population are already established. Ideal placement is in opposite corners of the property in shaded areas along the property line. See additional instructions on package insert.

STORAGE AND DISPOSAL: Storage: Keep packages out of reach of children. Prior to use store in a cool dry place. Disposal: Waste resulting from the use of the product can be disposed of by placing the product in a garbage bag and cinch the opening to close. Place the garbage bag in an outside receptacle. **DO NOT RECYCLE.**

Active Ingredient: Sodium Chloride	11.45%
Inert Ingredients: Sucrose	88.54%
Total:	100%

NET CONTENTS: 1.64oz. per unit
