

Weed Killer SHAKE WELL BEFORE USING DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

Avenger® Weed Killer is a broad spectrum weed killer that contains d-limonene. D-limonene is the citrus oil that is extracted from the rind of Abrir para Instrucciones oranges. Avenger® Weed Killer is non-selective and controls most annual de Uso Adicionales, weeds, both grasses and broadleaves. For use on non-crop areas including Declaraciones de Peci-borders, around driveways, patios, and sidewalks, around mature trees and Primeros Auxilios ornamentals, around buildings, in residential greenhouses, fencerows and around flower beds.

Avenger® Weed Killer is fast acting with quick visible results. Foliar contact results in control of annual grasses and broadleaves and top growth reduction of deep rooted perennial weeds.

Re-treatment may be required for control of perennial weeds or older, hardier weeds. For best results, shake bottle vigorously and thoroughly coat target weeds.

For Control of SMALL ANNUAL WEEDS: Apply Avenger® Weed Killer to the foliage of the small weeds (less than 6 inches) making sure leaves are thoroughly wet and uniformly covered. Do not apply if a strong threat of rain is expected within 2 hours.

For Control of LARGER ANNUAL WEEDS and BURNDOWN of PERENNIAL WEEDS: Larger annual weeds (more than 6 inches) and perennials are more difficult and may require re-treatment. Treat as described above. Best results are obtained when applied to young, actively growing weeds. Weeds that are mature, dormant or hardened due to moisture stress are more resistant to herbicide

Do not apply this product through any type of irrigation system.

NOTE: All contacted vegetation is affected. Avoid contacting desirable plants. Overspray or drift will injure or kill contacted vegetation. DO NOT spray on lawns-it will damage or kill treated grass. See peel out panel for complete directions for use.

Conditions of Sale

The Directions For Use of this product reflects the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result, because of factors such as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of Avenger® Products, LLC or the Seller. To the extent consistent with applicable law all such risks are assumed by the Buyer.
