4822-573_OFF! Backyard Outdoor Fogger_20240216_356_4822_.pdf

SC Johnson
A Family Company

OFF!®

outdoor FOGGER

KILLS AND REPELS
MOSQUITOES AND FLIES

FAST ACTING
UP TO 6 HOURS

KEEP OUT OF REACH OF CHILDREN

CAUTION: See additional precautionary statements on back.

NOT INTENDED FOR BODY APPLICATION OR INDOOR USE.

ACTIVE INGREDIENTS:

PRALLETHRIN	0.04%
CYFLUTHRIN	0.03%
OTHER INGREDIENTS	99.93%

CONTAINS SODIUM NITRITE

NET WT 12 OZ. (340g)

REPELS FLIES, MOSQUITOES AND NON-BITING GNATS

KEEPS BUGS AWAY UP TO 6 HOURS

AN OUTDOOR PRODUCT FOR USE IN OUTDOOR AREAS INCLUDING BACKYARDS, PATIOS, DECKS, CAMPSITES AND PICNIC AREAS

A family company since 1886. Fisk Johnson

TWIST & SNAP OFF TAB BEFORE SPRAYING

FOR OUTDOOR USE ONLY.
NOT INTENDED FOR BODY APPLICATION OR INDOOR USE.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **SHAKE BEFORE USING.** All outdoor spray applications must be limited to spot treatments only, except for the following permitted uses: 1. Application to pervious surfaces such as soil, lawn, turf, and other vegetation; 2. Perimeter band treatments of 7 feet wide or less from the base of a man-made structure to pervious surfaces (e.g., soil, mulch, or lawn); 3. Applications to underside of eaves, soffits, doors, or windows permanently protected from rainfall by a covering, overhang, awning, or other structure; 4. Applications to vertical surfaces (such as the side of a man-made structure) directly above impervious surfaces (e.g., driveways, sidewalks, etc.), up to 2 feet above ground level; 5. Applications to vertical surfaces directly above pervious surfaces, (such as soil, lawn, turf, mulch or other vegetation) only if the pervious surface does not drain into ditches, storm drains, gutters, or surface waters. Spot treatments must not exceed two square feet in size (for example, 2 ft. by 1 ft. or 4 ft. by 0.5 ft.). For soil or foliar applications, do not apply by ground within 25 feet of lakes, reservoirs, rivers, permanent streams, marshes or natural ponds, estuaries and commercial fish farm ponds. Do not spray the product into fish pools, ponds, streams, or lakes. Do not apply directly to sewers or storm drains, or to any area like a drain or gutter where drainage to sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application. Do not apply directly to impervious horizontal surfaces such as sidewalks, driveways, and patios except as a spot treatment. Do not apply or irrigate after application to the point of runoff. Do not make applications during rain. Avoid making applications when rainfall is expected before the product has sufficient time to dry (minimum 4 hours). Rainfall within 24 hours after application may cause unintended runoff of pesticide application. Do not apply when the wind speed is greater than 15 mph. Do not apply directly to food or to food serving or food preparation surfaces. Do not apply to pets or to your skin or clothing. Do not allow children or pets to contact treated surfaces until spray has dried. Do not spray indoors. For flying insects: Flies, mosquitoes, non-biting gnats, small flying moths, wasps, and multi-colored Asian lady beetles. Hold can on a slight downward angle. Point nozzle away from face, other people and animals. From 4 to 6 feet away, spray articles and vegetation in the area including plant leaves and foliage, furniture (except seating and table top surfaces), outdoor screening, deck railings, campers, and other surfaces that pests may contact or rest upon. Allow spray to drift over area and settle. For best results, spray when air is calm. **IF BREEZY,** spray with the wind. **IF NOT BREEZY,** spray out from center of area being treated. Give special attention to breeding areas such as garbage cans and composite piles. **DO NOT SPRAY DIRECTLY ON SKIN.**

STORAGE AND DISPOSAL **STORAGE:** Store in a cool, dry place away from heat, sparks and open flame. **DISPOSAL:** Do not puncture or incinerate! If empty: This container may be recycled in the few but growing number of communities where aerosol can recycling is available. Before offering for recycling, empty the container by using the product according to the label. If recycling is not available, place in trash. If partially filled: Do not pour or dispose down-the-drain or sewer. Call your local solid waste agency or 800-529-3394 for disposal instructions.

PRECAUTIONARY STATEMENTS: **HAZARDS TO HUMANS AND DOMESTIC ANIMALS. CAUTION:** Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using toilet.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic invertebrates. Do not apply directly to water. Drift and runoff may be hazardous to aquatic organisms in water adjacent to treated areas.

PHYSICAL OR CHEMICAL HAZARDS:
FLAMMABLE: Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.
