KEEP OUT OF REACH OF CHILDREN

Precautionary Statements:

Caution: We recommend good safety practices, avoiding contact with eyes and skin, and keeping out of reach of children and pets. If the product gets in the eyes, flush with water for at least 15 minutes. If on the skin, wash with soap and water. If irritation persists, contact a physician. Sensitivities may occur with any animal. If sensitivities occur, wash the animal with mild soap and water. If signs continue, consult a veterinarian immediately.

Directions for use:

Georgia Juice Plus Fly Spray repels horse flies, face flies, stable flies, house flies, deer flies, horse flies, ticks and mosquitoes.

Mix 1 part concentrate to 99 parts water. One 32 ounce concentrate to twenty five gallon water. Shake well before use. Repeat as often as necessary. Read label and use accordingly. This product is intended to be used on dogs, horses, ponies, donkeys, mules, bison and cattle; to control and repel biting and nuisance insects. Spray on legs, shoulders, belly, neck, back, and ears as often as needed. Do not spray in sensitive areas such as eyes. Do not saturate animal.

Not for Aquatic Use

Storage and Disposal:

Store in original container in a cool, dry area away from children and pets. Avoid excess heat. Keep from freezing. Do not reuse container.
